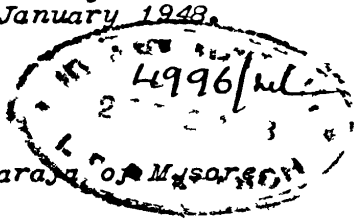
Office of the Municipal Commission,
Civil Station, Bangalore,
dated the 28th January 1948.

From

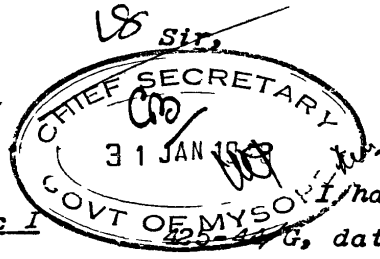
The President, Municipal Commission,
Civil Station, Bangalore.

To

The Chief Secretary to the
Government of His Highness the Maharaja of Mysore,
BANGALORE



Sir,



Increased contribution of Rs.35,000/- per annum for the maintenance of Militar_ Roads in the Civil Station, Bangalore.

I have the honour to enclose a copy of Memorandum No.R.F. 425-44 G, dated the 2nd August 1947, from the Secretary to the Hon'ble the Resident in Mysore, together with enclosures on the above subject and to furnish the information required therein as detailed below -

Enc I

Enc.II.

A (a) A statement showing the exact mileages, widths and specifications of the military roads in the Civil Station of Bangalore, is enclosed.

(b) The actual expenditure on maintenance and renewals of military roads in the Station for the years 1937 - 38 to 1946 - 47 is given below :-

1937 - 38	Rs.9,905- 0- 7
1938 - 39	" 10,359-14- 3
1939 - 40	" 11,275- 2- 1
1940 - 41	" 9,711-15- 3
1941 - 42	" 9,364- 8- 9.
1942 - 43.	" 6,910- 3- 2
1943 - 44	" 24,705-12- 4.
1944 - 45.	" 39,071-11- 3
1945 - 46.	" 29,362- 9-10
1946 - 47.	" 28,459- 4- 7

2. As may be seen from the above figures, the average expenditure for the 3 years 1937 - 38 to 1939 - 40 is Rs.10,513/- though the annual contribution has been only Rs.10,490/-, the excess expenditure being met from the allotment for road works from the Municipal funds. The expenditure during the next two years i.e , 1940 - 41 and 1941 - 42 is Rs.9,712/- and Rs.9,365/- respectively and the decrease is not much and does not call for any special reason except the fact that it was the actual expenditure for these 2 years. The actual expenditure for 1942 - 43 was Rs.6,910/- The large decrease was due to the fact that some of the works sanctioned during that year were not completed in the sam year and had therefore to be carried forward for next year and completed then. This can be verified by a perusal of the figure for 1943 - 44 which is Rs 24,706/- against the budgetted expenditure of Rs.21,100/- or an excess of Rs.3,606/-.

3 The average expenditure for the 3 years 1944 - 45 to 1946 - 47 is Rs.32,297/- and the expenditure for the current year

P.T O

is budgetted to be Rs.35,000/-.

(c) A statement showing the actual expenditure on maintenance of the roads during 1946 - 47 is also attached. Enc.I

4. It may be mentioned here that the tender rates for 1947 - 48 quoted for the supply of metal required for the road works are much higher than the rates quoted for it during 1946 - 47. The cost of bitumen emulsion used for surface treatment of these roads has also gone up considerably due to the increased prices of bitumen and other materials such as rosin soap, coal, etc., used for the manufacture of emulsion.

5. The cost of labour also is steadily on the increase and is very much more than that during 1945 - 46 and 1946 - 47 due to payment of increased dearness allowance, etc.

6. While there are no signs of the cost of materials and labour coming down in the coming years, there is every tendency and chance in their going higher than the 1947 - 48 rates

7. It is feared that the cost on maintenance of roads in the Station during the coming years will be very much higher than the expenditure during the war and after-war years. Any reduction in the grant for maintenance of military roads may greatly affect the condition of the roads as the Municipal Commission may not be able to spend from their own funds sufficient money required to keep the roads in a fairly satisfactory state of repair. They are now spending more than Rs.2,00,000/- for the other roads in the Station.

8 I, therefore, request that the Defence Ministry, may kindly be requested to pay this Municipality the balance of contribution of Rs.24,510/- due for the year 1946 - 47 and also the contribution of Rs.35,000/- due for the year 1947 - 48.

I have the honour to be,
Sir,
Your most obedient servant,

President, M. C.

2 Memorandum from the Government of India in the Defence Department, to the Secretary to His Excellency the Crown Representative, New Delhi) No 9642-47/Q3(W i), dated the 1st July 1947)

Letter from the Hon'ble the Resident in Mysore, Bangalore, to the Secretary to His Excellency the Crown Representative, New Delhi, No.425-44/G, dated the 29th November, 1946

Maintenance of the Military roads in the Civil and Military Station, Bangalore.

I have the honour to refer to memorandum from the Political Department No.F.15(16)-I.C/44 dated the 4th April 1945, communicating the sanction of the War Department to the increase of the military contribution to the Municipal Commission, Civil and Military Station, Bangalore, for the maintenance of military roads in the Station from Rs.10,490/- to Rs.35,000/- per annum with effect from the year 1944-45 for the duration of the war.

2. The Municipal Commission urge that, though the war has terminated war-time conditions still prevail and the cost of materials and labour has not gone down and that there is, therefore, no likelihood of any reduction of expenditure on the maintenance of roads They also urge that although after the cessation of hostilities there has been a reduction in the number of military vehicles using the roads in the Station, the condition of the roads has become so unsatisfactory owing to the heavy military traffic during the war years, that they require constant repairs involving large expenditure.

3. I enclose a statement showing the expenditure per mile and the total expenditure on military roads separately under the heads "maintenance" and "reconditioning" for the ten years from 1936 - 37 to 1945-46 It will be seen that the expenditure during 1945 - 46 was Rs.29,363/-. Conditions have not since improved and the costs of materials and labour continue to be high. There is therefore no possibility of a reduction in the expenditure on military roads in the station, and in fact, the proposed expenditure on military roads for 1946 - 47 is Rs.35,710/- (Rs.10,710/- for re-surfacing, Rs.22,000/- for maintenance and Rs 3,000/- for general repairs). In the circumstances I recommend that the military authorities may kindly be moved to sanction a contribution of Rs.30,000/- for the maintenance of military roads in the Civil and Military Station during 1946 - 47, which is based on the actual expenditure incurred during 1945 - 46.

Memorandum from the Government of India in the Defence Department, to the Secretary to His Excellency the Crown Representative, New Delhi, No.9642/47/Q3 (W i), dated the 1st July 1947.

2. To enable this Department to examine the proposal for the grant of a contribution of Rs 30,000/- to the Municipal Commission, Civil and Military Station, Bangalore, for the maintenance of Military Roads, the Political Department, is requested to ask the Resident in Mysore, to furnish the following information

(a) Exact mileages, widths and specifications of the roads in question.

(b) The reasons for the decrease in the annual maintenance charges during the years 1940 - 41, 41-42, and 42- 43 compared with the average cast of Rs.10,915/- for the three pre-war years. The maintenance charges for the former three years are stated to be Rs.9,712/-, Rs.9,364/- and Rs.6,910/- respectively.

S i r,

Maintenance of Military Roads in the Civil and Military Station, Bangalore.

I am directed to refer to Memorandum from the Government of India in the Defence Department, to th Secretary to H E the Crown Representative, New Delh No 9642/47/2 3 (W I) dated the 1st July 1947, on the above subject and to furnish the following inform ti called for therein

A statement showing the exact mileages, widths and specifications of the military roads in the Civ: Station of Bangalore, is enclosed

The actual expenditure on maintenance and renewals of military roads in the Station for the years 1937-38 to 1946-47 is given below -

1937-38	Rs	9,905- 0- 7
1938-39		10,359-14- 3
1939-40		11,275- 2- 1
1940-41		9,711-15- 3
1941-42		9,364- 8- 9
1942-43		6,910- 3- 2
1943-44		24,705-12- 4
1944-45		39,071-11- 3
1945-46		29,362- 9-10
1946-47		28,459- 4- 7

As may be seen from the above figures, the average expenditure for the 3 years 1937-38 to 1939-40 is Rs.10,513/- per annum though the annual contribution has be.. only Rs.10,490, the excess expenditure being met from the allotment for road works from the Municipal funds. The expenditure during the next two years i e ,1940-41

and 1941-42 is Rs 9,712/- and Rs 9,365/- respectively and the decrease is not much and does not call for any special ~~reason~~ explanation except the fact that it was the actual expenditure for these 2 years The actual expenditure for 1942-43 was Rs 6,910/- The large decrease was due to the fact that some of the works sanctioned during that year were not completed in the same year and had therefore to be carried forward for next year and completed then This can be verified by a perusal of the figure for 1943-44 which is Rs.24,706/- against the budgetted expenditure of Rs.21,100/- or an excess of Rs 3,606/-

The average expenditure for the 3 years 1944-45 to 1946-47 is Rs.32,297/- and the expenditure for the current year is budgetted ~~to be~~ for Rs.35,000/-

A statement showing the actual expenditure on maintenance of the roads during 1946-47 is also attached

It may be mentioned here that the tender rates for 1947-48 quoted for the supply of metal required for the road works are much higher than the rates quoted for it during 1946-47 The cost of bitumen emulsion used for surface treatment of these roads has also gone up considerably due to the increased prices of bitumen and other materials such as rosin soap, coal, etc , used for the manufacture of emulsion

The cost of labour also is steadily on the increase and is very much more than that during

1945-46 and 1946-47 due to payment of increased dearness allowance, etc

While there are no signs of the cost of materials and labour coming down in the ~~coming years~~ near future, there is every ~~tendency and chance~~ likelihood of their going up higher than the 1947-48 rates

It is feared that the cost on maintenance of roads in the Station during the coming years will be very much higher than the expenditure during the war and after-war years Any reduction in the grant for maintenance of military roads may greatly affect the condition of the roads as the Municipal Commission may not be able to spend from their own funds sufficient money required to keep the roads in a fairly satisfactory state of repair ... are now spending more than Rs.2,00,000/- for the other roads in the Station

In the circumstances and as there is no likelihood of any reduction of expenditure on the maintenance of roads, I am to request that the Government of India may be pleased to sanction the balance of contribution of Rs 24,510/- for the year 1946-47 and a contribution of Rs 35,000/- for the maintenance of military roads in the Civil and Military Station during 1947-48

I have etc.,

Sir,

I am directed to refer to your letter No.7228/C.B., dated the 31st March/7th April 1948, on the above subject, and to say that the following roads included in the list received with your letter are not considered essential for military purposes and that action has been taken by the local military authorities to abondon them -

(i) Item No. 18 --- TRINITY ROAD
(ii) Item No. 23 --- MUSEUM ROAD

2 The above named roads should not, therefore, in future, be included in the list of roads for which expenditure on maintenance is claimed from the Government of India

3. I am further to say that item 32 - ULSOOR ROAD is NOT an M E S. Road and is not considered to be of any use to the military The claim of the Government of Mysore in respect of this road is not, therefore, accepted.

4. The Government of Mysore is requested to forward the revised total claim (excluding the expenditure on the road mentioned in para 3 above) based on the actual expenditure incurred for the years 1946-47 and 1947-48.

Copy of letter No.9642/47/Q.3/11/2485/Q/D.8/48, dated 25-8-4 from the Secretary to the Government of India, Ministry of Defence the Chief Secretary to the Government of His Highness the Maharaja Mysore, Bangalore.

Subject - Maintenance of Military Roads in the Civil & Military Station, Bangalore.

I am directed to refer to your letter No.7228/C.B , dated the 31st March/7th April 1948, on the above subject, and to say that the following roads included in the list received with your letter are not considered essential for military purposes and that action has been taken by the local military authorities to abandon them

(i) Item No 18 --- TRINITY ROAD.
(ii) Item No 23 --- MUSEUM ROAD.

2. The above named roads should not, therefore, in future, be included in the list of roads for which expenditure on maintenance is claimed from the Government of India.

3. I am further to say that item 32 - ULSOOR ROAD is NOT an M.E.S Road and is not considered to be of any use to the military. The claim of the Government of Mysore in respect of this road is not, therefore, accepted

4 The Government of Mysore is requested to forward the revised total claim(excluding the expenditure on the road mentioned in para 3 above) based on the actual expenditure incurred for the years 1946-47 and 1947-48.

Subject - Maintenance of Military roads in the Civil Station, Bangalore

Reference - Correspondence ending with your letter No. 2373/CB dated the 7th October 1948.

With reference to your letter quoted above I write to state that the question of revision of the claim in respect of the contribution from the Military Department towards the maintenance of the Military Roads in the Civil Station as indicated in the Government of India, Ministry of Defence letter No. 9642/47/Q.3Wii/2485/Q/D.8/48 dated 25.8.1948 a copy of which was forwarded with your letter mentioned above, was placed before the Municipal Commission at its meeting held on the 27th January 1949. The Municipal Commission agreed to revise the claim on the lines indicated by the Government of India,(vide copy of the Municipal Commission's Resolution enclosed).

2. The actual total expenditure for the maintenance of the 41 items of Military Roads covering a length of 19 miles 7 furlongs and 109 yds referred to in the list sent with my letter No.B2-585/47 dated the 28th January 1948, was Rs. 28456/4/7 and Rs 23137/9/5 for the years 1946-1947 and 1947- 1948 respectively. Since Ulsoor road which covers a length of 3 furlongs 6 yds and 1 ft has not been considered as Military Road, the propotionate expenditure for the Road for these two years wo ks out Rs. 540/6/1 and Rs. 439/6/1 respectively From the clair of Rs. 35,000/- the propotionate

expenditure of Rs. 540/6/1 and Rs. 439/6/1 has therefore been deducted. The revised amount of claim for 1946-1947 will thus be (35,000 - 10,490 viz. the amount already paid by the Government - 540/6/1 = Rs. 23,969/9/11 and that for 1947-1948 will be (35,000 - 439/6/1) Rs. 34,560/9/11

3 As regards the current year 1948-1949 Ulsoor road and also Trinity and Museam Roads covering in all a length of 8 furlongs and 148 yards have been deleted from the list as requested by the Government of India. The proportionate cost of maintenance for these three roads based on the claims of Rs. 35,000/- works out to Rs. 1903/2/6 after deducting this amount the net amount due for 1948-1949 will be Rs. 33,096/13/6.

4. I request that the total amount of Rs.91,627/1/4 due as per revised claim noted in the margin may kindly be arranged to be paid at an early date. The Government of India may also kindly be requested to settle this claim at a very early date as it relates to three years commencing from 1946-1947.

Yours faithfully,

President, M. C.

Subject - Maintenance of Military roads in the Civil Station.
Reference - Correspondence ending with your letter No.L.9949 dated the 3rd March 1949.

In compliance with your letter quoted above, I enclose a statement showing the amount of revised claim for the years 1946 - 47 and 1947 - 48 based on the actual expenditure of maintenance of military roads for these two years It will be seen therefrom that the actual expenditure for these two years was Rs.28,456-4-7 and Rs.23,137-9-5 respectively and that after deducting the proportionate expenditure on Ulsoor Road and the amount of the usual claim of Rs 10,490/- paid for the year 1946 - 47, the balance payable is Rs.17,425-14-6 for 1946 - 47 and Rs.22,693-3-4 for the year 1947 - 48 as explained in the attached statement.

2 I may mention in this connection that hand receipts amounting to Rs.20,980/- for payment of the usual contribution for the years 1947 - 48 and 1948 - 49 at Rs.10,490/- per year, were received from the Garrison Engineer, to be signed and returned by me and payment is awaited. In case this payment is made the amount due for 1947 - 48 will be Rs.12,203-3-4 against Rs 22,693-3-4 as mentioned in para 1, and the total amount due for 1946 - 47 and 1947 - 48 will be Rs.29,634-1-10 as noted in the margin I request that the Government may be pleased to urge the Government of India for payment of this amount at a very early date since the financial position of the Municipality is unsatisfactory.

Subject Maintenance of military roads in the Civil and Military Station, Bangalore

---

I am directed to refer to your letter No 9642/47/Q3 W 11/2485/Q/D 8/48 dated 25 8 48 on the above subject, and to forward herewith a statement showing the revised claims of contribution payable to the Municipal Commission, Civil Station, Bangalore, for the maintenance of military roads for the years 46-47 and 47-48, based on the actuals as indicated therein

Copies to be furnished before discussion for

2 The net claims for the two years 46-47 and 47-48 would accordingly amount to Rs 27,915-14-6 and Rs 22,698-3-4 respectively, after deducting as required, the proportionate expenditure on the Ulsoor Road, covering a length of 3 furlongs 6 yards and 1 ft which is declared to be not an M E S Road

3 A sum of Rs 10,490/- has already been paid towards the contribution for 46-47 and the balance payable for that year is only Rs 17,425-14-6 Also hand receipts amounting to Rs 20,980/- for payment of the usual contribution for the years 1947-48 and 1948-49 at Rs 10,490/- per year received from the Garrison Engineer were signed and returned by the Municipal President and payment thereof is awaited In case this payment is received, the contribution due for 1947-48 would also reduce itself to Rs 12,208-3-4, and the total amount due

	Rs	A	P
46-47--	17,425-	14-	6
47-48--	12,208-	3-	4
Total	29,634-	1-	10

the two years would then be Rs 29,634-1-10 as detailed in the margin

4. I am to request that the Government of India may please be moved to sanction very early the contribution of Rs 29,634/- due to the Municipal Commission for the two previous years 46-47 and 47-48 and also to issue suitable instructions to the Garrison Engineer Bangalore, to arrange for the early payment of the usual contribution on the land receipts already countersigned and sent to him by the Municipal President

5 The claims for the year 1948-49 will be separately preferred after 31st March '49 when the actual figures become available with the close of the official year

With reference to your letter quoted above, I write to inform you that the normal annual grant viz. Rs.10,490/- has not yet been paid even though the hand receipt has been issued for the year 1947-48. Similarly although the hand receipt for 1948-49 in respect of Rs 10,490/- was also sent, the payment has not been received. In this connection it is understood from the Garrison Engineer that the question of these payments has been referred by him to higher military authorities. Copies of the following papers are enclosed

1 Copy of Garrison Engineer's letter No.2427/28/E 2 dated the 9th April 1949.

2. Copy of my reply No.B.2/585/47 dated the 22nd April 1949.

3. Copy of Garrison Engineer's endorsement No.2427/46 dated the 17th June 1949.

The Garrison Engineer himself has suggested that the matter may be taken up with the Government of India.

2. In the circumstances, I request you kindly to include the sum of Rs.10,490/- also in the claim.

I forward herewith a statement of expenditure incurred in respect of the Military Roads for the period from 1st April 1949 to 30th June 1949, amounting to Rs.8,840-15-3. The expenditure on the three roads viz Ulsoor, Trinity and Museum Roads, which have ceased to be Military Roads, has not been included in the Statement

2. The total amount due including the arrears of Rs.73,294-11-4 mentioned in my letter of even number dated the 8th June 1949 comes to Rs 82,135-10-7.

3. I request that the Government of India may be moved urgently to sanction payment of the dues as the financial position of the Municipal Commission is not satisfactory and the Municipal Commission is finding it difficult to meet its commitments

Yours faithfully,

PRESIDENT, M.C.
